ALL THE RIGHT MOVES

Importing Goods To Australia

Importing Personal Effects

Shipments of household goods and personal effects are allowed duty free entry, provided that they have been owned and used for at least twelve months prior to importation and a valid entry Visa is held (long term Working Visa, Residency or returning Australian or New Zealand national).

It is possible to have your goods cleared by customs prior to your arrival in the country, providing all the necessary documents are completed correctly.

Documentation

Britannia and our agents will assist you to complete the customs formalities. To assist us with this please let us have a copy of your passport (and Visa if applicable).

We will provide you with the correct customs forms that must be completed prior to the goods leaving the UK.

To avoid additional charges it is essential that documentation is completed and returned promptly.

Prohibitions And Restrictions

In general it is in your interest not to import the following items.

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Objectionable and indecent material

Transit Times

Groupage or shared load consignments usually take 12 to 14 weeks* door to door. However, this can vary depending on the peak (summer) and low (winter) season at both origin and destination, volumes being shipped, customs or immigration delays, and prevailing weather conditions.

Sole use containers usually take 9 to 10 weeks* door to door depending on the final destination, and there is a weekly service to all major ports (subject to availability).

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.

Welcome to Britannia in Australia

Customs Clearance

The transit times indicated include the requirement for normal customs clearance and delivery. The time taken to clear goods through quarantine and customs can be affected by government policy, X-raying of goods, physical inspection, volume of traffic, and the levy of any import duties or taxes. Charges raised by customs or quarantine officials will be paid for by our Britannia agent, who will seek reimbursement from yourselves prior to delivery.

Britannia In Australia

Britannia has established a long standing successful relationship with a network of dedicated removers, who will assist you with your destination services. Their full contact details will be sent to you prior to the forwarding of your consignment. Our agents are part of our extended Britannia family and we meet with them on a regular basis to ensure high standards of service are maintained.

Storage

Should you require storage prior to delivery this can be arranged. You should expect to pay locally a one off storage handling fee, plus a monthly storage charge. Please ensure that your marine insurance policy is extended for the period of the storage.

Destination Services

Following customs clearance your consignment will be delivered to your home on a mutually convenient date - please note this is only for customers who have paid for a 'door-to-door' service. Goods will be delivered into your new home and placed in the relevant rooms as directed by you.

Professionally wrapped and packed goods will be unwrapped and cartons unpacked onto a flat surface.

All used packing materials will be removed from site on the delivery day.

You can request not to have some or all of the professionally packed items unpacked or unwrapped, although there may be insurance implications should you choose this option.

** Any transit times provided should be considered only as a guide and cannot be guaranteed. Shipping can be subject to delays which are beyond our control.*
