# Importing Goods to USA

## Importing Personal Effects

Shipments of household goods and personal effects are allowed duty free entry, provided that they have been owned and used for at least 12 months prior to importation. Please note that you must be in the country in order to successfully complete all customs clearance procedures.

## Documentation

We will provide you with the correct customs forms that must be completed prior to the goods leaving the UK, however, unless you are a US passport holder (or have a valid Green Card), you must ensure you have the appropriate visa for entry into the USA. To avoid additional charges, it is essential that documentation is completed and returned promptly.

## Prohibitions and Restrictions

The following items are prohibited or restricted and we strongly advise you not to ship them in your consignment:

- Firearms, ammunition & weapons
- Inflammable goods & substances
- Plants, plant material & animal products
- Foodstuffs, perishables or otherwise
- Alcohol, tobacco & narcotics
- Objectionable and indecent material

## Transit Times

Groupage or shared load consignments usually take 10 to 13 weeks to destinations going via the East Coast, and 12 to 15 weeks to destinations going via the West Coast, door to door. However, this can vary depending on the peak (summer) and low (winter) season at both at origin and destination, volumes being shipped, customs or immigration delays and prevailing weather conditions.

Sole use containers to the East Coast usually take 6 to 8 weeks and those going via the West Coast usually take 7 to 9 weeks door to door, dependant on the final destination within the USA. There is a weekly service to all major ports (subject to availability).

*\* Any transit times provided should be considered only as a guide and cannot be guaranteed. Shipping can be subject to delays which are beyond our control.*

## Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.

It is vitally important that you ensure that your marine insurance policy is extended for the period of the storage.

## Destination Services

Following customs clearance your consignment will be delivered to your home, on a mutually convenient date - please note this is only for customers who have paid for a 'Door to Door' service. Goods will be delivered into your new home and placed in the relevant rooms as directed by you.

Professionally wrapped and packed goods will be unwrapped, and cartons unpacked onto a flat surface. All used packing materials will be removed from site on the delivery day.

You can request not to have some or all of the professionally packed items unpacked or unwrapped, although there may be insurance implications should you choose this option.
